Today, we have delivered continent. We have decid	on their hopes. We have de ed to create One Europe.	ecided to heal our

Today we have closed one of the bloodiest and darkest chapters in European history.
Today we have opened a new chapter. Europe is spreading its wings. In freedom. In prosperity. And in peace.
It is a truly proud moment for the European Union. It is a triumph for liberty and democracy.
To our new members I say: "Warmly welcome to our family".
Our new Europe is born.
