I don't know what to say.

My heart is jumping and I [uhørbart]

But I'm really happy and I tried my best for many years and it's nice to have this [refererer til prisen] now.

I feel like wow.

But must not stop there.

That's it's a good wish.

Thank you so much for that.

It's a long run and I feel I will say thanks for all my friends when we start to play theatre in Yugoslavia and all these films.

And I must say thanks for my beautiful wife and family and children who support me and were not angry when I were on the long, long trip there.

Thank you so much.
